

Southern Spring Series 2011

The new Southern Series is an exciting programme of after work orienteering events for those who would like a navigational challenge in the cool of Sydney's spring evenings. The events are held in interesting park and urban bush locations in Sydney's southern and eastern suburbs on Tuesday evenings – initially in November, but extending into December as the series grows. Start times for all events are anytime between 4.30 and 7.00pm with walking and running categories both available. The series is based on the popular Wednesday evening 'Sydney Summer Series', with all rules (including the 45 minute time limit) being the same. All events are 'on' regardless of the weather.
